

Y SOCCER™

We build strong kids, strong families, strong communities.

"ON THE TURF" SUMMER SOCCER LEAGUE

The Garden City YMCA is continuously trying to improve the soccer programs in the community. Since the collaboration with the GCCC Men's Soccer Coach Stephen Gorton and the Buster Soccer players, the programs are growing and kids and coaches are being introduced to more and more techniques, skills, strategies, and all aspects of the game of soccer. "We are trying to set the bar high. We want to continue providing a quality program as the YMCA has always done and help develop and educate players, coaches, and parents as the interest in soccer continues to grow in our community." stated Gorton.

The YMCA is meeting the demands of the community, and soccer is reaching its true potential!
