## The Helping Hands Scholarship Program

- No person will ever be denied use of the YMCA facility or YMCA programs because of an inability to pay. The Helping Hands Scholarship program enables the community to participate in YMCA programs and memberships.
- The Annual Support Campaign provides funding for the scholarship program. As a 501(c)3 non-profit organization, contributions are tax-deductible. Community support sustains and enhances the Helping Hands Scholarship Program.
- Your support will help fund the Helping Hands Scholarship Program! Whether it is a single parent looking for assistance for child care, a lonely senior on disability or fixed income or a family that has hit hard times, the YMCA can help fill the void. Your support will continue the YMCA mission!

**“I feel privileged for the opportunity to help the YMCA with its mission and efforts,”**

Scott E. Daniel,

Volunteer Youth Sports Coach

**“If it wasn’t for the scholarship program, I wouldn’t be able to afford to come,”**

Paula Knoll,

**“The people here are nice, simple people. It’s a family place,”**
